Darren brings over 15 years of experience in Insurance and Risk Management to his role as a Commercial Account Executive at WMB Alberta, joining the team in January 2024. As a seasoned professional, Darren is dedicated to providing tailored advisory services to commercial organizations of all sizes and industries. His primary focus lies in delivering bespoke insurance solutions that not only mitigate risk but also drive success and peace of mind for clients.

Throughout his career, Darren has held various claims and sales roles within insurance companies and brokerages, serving both commercial and personal lines clients on a global scale. His expertise spans across a diverse range of industry sectors, including Energy (Oil & Gas), Agriculture, Construction, Manufacturing, Transportation, Health, Property and Asset Management, Cannabis, and Municipalities. With a specialization in Auto, Property, Liability, Professional Liability, Directors' and Officers' Liability, and Construction insurance, Darren is adept at addressing complex insurance needs across different coverage lines.

Prior to joining WMB Alberta, Darren excelled as a Private Client Insurance Specialist at RBC Insurance, where he focused on assisting High Net Worth and Ultra High Net Worth clients in safeguarding their wealth, possessions, and lifestyle through comprehensive insurance solutions. Notably, Darren spent a significant portion of his career at Marsh Canada, where he held the position of Vice President, Senior Claims Consultant. In this role, he leveraged his extensive multi-line claims experience to advocate for domestic and international clientele, facilitating the recovery of \$34M in insurance funds.

Darren's wealth of experience, coupled with his dedication to client satisfaction and relationship management, makes him an invaluable asset to the WMB team. He remains committed to delivering unparalleled service and support to clients, ensuring their long-term success and prosperity.
